Absence makes the heart grow fonder."

A Constipation Remedy Free

There is no action of your daily life of greater importance than to see that your bowels move. They should move at least once a day naturally, and by that is meant without any help. If they do not move at least once a day you can consider yourself constipated and it is time you did something about it.

You will be glad to know there is a way out of the difficulty. Lemuel Landerdale, an old soldier at Quincy, Ill., Elmer McMillan, of Speed, Mo., Mrs. Monahan, of Stonewall, Miss., and many others were as you are now. But one day they awoke to the fact that Dr. Caldwell's Syrup Pepsin was curing their friends, so they bought it too and it cured them. Today they are loud in praise of it.

What Dr. Caldwell's Syrup Pepsin did for them it should do for you. Surely your constipation is no worse than theirs, one of whom had it since '61. It only remains for you to realize that salts are of but temporary good, and what you want is a permanent cure; that purgative tablets, cathartic pills and such violent things make a great show of doing something, but do nothing that is lasting. Dr. Caldwell's Syrup Pepsin is a scientific preparation, a laxative- tonic, a mild syrupy liquid that contains ingredients that not only cure the constipation, but tone the intestinal muscles so that they learn again to work without help. A bottle can be bought of any druggist for the small price of 50 cents, and there is a dollar size for families who have already found out its wonderful value in stomach, liver and bowel troubles, in old or young.

Send your name and address to the doctor and a free trial bottle will be sent you so that you can test it before buying. If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 590 Caldwell bldg., Monticello, Ill.

SOME NEW TELEPHONE TALK CLASSIFIED ADVERTISEMENTS

Effort Being Made to Establish a New Line Another Meeting at Council Room, Wednesday.

The people of this town should wake up and install a mutual telephone system similar to the one in Gableville, Bloomington and other towns west of there. Charles Linton representing Bloomington, Charles Pepper representing Beriamont and Leeds Healy representing Gableville were all in town Wednesday. Their explanation of the operations of these various companies is convincing. It costs less than one third to the subscriber than it does to secure the services of the present telephone system and the service is much better and more complete when once installed, as the price is within the reach of everybody.

The following persons were named as committeemen for the country: Bert Newcombe, Geo. Rich, David Rich and J. B. Sherrod. For the village: George Harrison, Elmer Cornell, Harry Showerman, F. N. Wakeman, H. A. Cole, W. J. Hale, W. J. Barnard, A. Lynn Free and J. H. Charles. These gentlemen understand the workings of this system and will be pleased to talk with any person interested.

There will be another meeting at the council rooms in this village on Wednesday, November 25. Let everybody turn out and set this thing going. ****
